

### KIDS IMMERSION CAMP

is designed to provide maximum exposure to French language and culture. Children will explore French through interactive games, story telling, acting and singing. Many wonderful and exciting activities await them. Teachers use a variety of materials to promote learning all while having summer fun as well.

### TEENS IMMERSION CAMP

combines conversation, language work and discussion about teenage life in France and other francophone countries. Students will use various learning materials to allow them to develop their grammar and writing skills, improve their grades before school starts. Students will also discuss different topics such as music, celebrities, movies and sports for example.
